KUGOWN Operational Report

1. Attached to Encl. 1 are copies of the leaflet containing the text of the pastoral letter of Archbishop Mariano Rossell Arellano. These copies are submitted per your request in LINC 183.
2. The matter discussed in para. 3 of Encl. 1 was previously discussed in detail in HGG-A-936. Para. 5 and 6 contain byproduct intelligence reports that should be relayed to the interested elements of PBSUCCESS. Para. 4 was reported by cable.
3. Encl 2 is a detailed report on the "52 Campaign." Highlights were cabled to Lincoln in GUAT 893 and 895. As this report is written Essence is still at liberty and if not apprehended he will make contact with Razmara 22 April 1954. Further highlights in connection with this matter will be cabled.
4. Maria CRUZ, the subject of para. 1, Encl. 3, is a well-known market woman. The previous incident involving Oscar LUNA, mentioned in para. 2 of this enclosure, was reported in para. 8 of HGG-A-900. The (fmu) MORAN Batres mentioned as being a close friend of Luna, is also a member of the Comité Obrero and reportedly is a government penetration agent. You may wish to pass this information on to Calligeris if any of the persons concerned should reach Honduras.
5. The miscellaneous report contained in Encl. 4 has not been confirmed, nor do we have any additional information regarding the events or persons mentioned therein. However, we shall keep these matters in mind and would appreciate any information you may have received.
